SPONSORSHIP APPLICATION FOR NEW *FIRST* LEGO LEAGUE TEAMS - 2018

We / I apply to the Shenandoah Valley Technology Council for a reimbursement grant not to exceed $350 to start/support a new *FIRST* LEGO League team. We are a team located in the footprint of the Shenandoah Valley Technology Council's area of operation. It is our intent to participate in the FLL competition within one (1) year of receiving the grant, subject to the following conditions:

TERMS:
This grant can be used towards any equipment required for competition in *FIRST* LEGO League, including one or more LEGO robotics kits, a competition practice table, and an FLL field setup kit. If your team does not participate in *FIRST* LEGO League for three years, then you will return the equipment purchased with this grant for use by other teams. After three years, however, the equipment will remain the property of your team. The grant will be paid as reimbursement for materials that you purchase.

I agree to these terms:
